Port Allegany Route

1

Blatt Brothers Movie Theater

4 Main St. - Built in the early teens of the last century, this building was the first in town to have generated electricity.

2

Port Allegany High School

Raymond Viner Hall was a student of Frank Lloyd Wright and the architect of the Port Allegany High School. This building highlights the many elements and themes which made the Wright buildings so famous.

3

Summer Home of Helen Keller

207 Arnold Ave. - This is the summer home of Helen Keller (in the 1940's and 1950's), who befriended the pastor of the Lutheran Church.

4

Charles Cole Medical Facilities

45 Pine St. - Charles Cole Medical Facilities, emphasizing wellness and fitness. This building is on the location of the original S.W. Smith homestead. He was a business man and one of the founding fathers of Port Allegany.

5

S.W. Smith Memorial Library

22 Church St - The S.W. Smith Memorial Library was founded in 1928 by Mrs. Eleanor Smith in memory of her late husband, Samuel Walter Smith.
