# RESERVE EDUCATIONAL ASSISTANCE PROGRAM (REAP)

### WHAT IS REAP (CHAPTER 1607)

REAP (Chapter 1607 of title 10, U.S. Code) is an education program that provides up to 36 months of education benefits to members of the Selected Reserves, Individual Ready Reserve (IRR), and National Guard, who are called or ordered to active service in response to a war or national emergency, as declared by the President or Congress.

#### WHO IS ELIGIBLE?

The Department of Defense (DoD) or Department of Homeland Security (DHS) will determine eligibility, as appropriate. Generally, a member of a Reserve component who serves on active duty on or after September 11, 2001 under title 10, U.S. Code, for at least 90 consecutive days under a contingency operation, is eligible for REAP. There is no specific time frame to use REAP; however, your eligibility generally ends when you leave the Selected Reserves.

National Guard members are eligible if their active service extends for 90 consecutive days or more and their service is:

- Authorized under section 502(f), title 32, U.S. Code,
- Authorized by the President or Secretary of Defense for a national emergency, and
- Supported by federal funds.

#### HOW MUCH DOES VA PAY?

The educational assistance allowance payable under REAP is a percentage of the Montgomery GI Bill-Active Duty (MGIB) rate based on the number of continuous days served on active duty. Persons released before 90 days due to an injury, illness, or disease incurred or aggravated in the line of duty receive the 40% rate. Current rates of payment can be found on our Internet web site or by calling the toll-free number below.

- Members who serve 90 days but less than 1 year will receive 40% of the MGIB 3 year rate.

Disabilities determined by VA to be related to your military service can lead to monthly non-taxable compensation, enrollment in the VA health care system, a 10-point hiring preference for federal employment and other important benefits. Ask your VA representative or Veterans Service Organization representative about Disability Compensation, Pension, Health Care, Caregiver Program, Career Services, Educational Assistance, Home Loan Guaranty, Insurance and/or Dependents and Survivors' Benefits.

U.S. Department  
of Veterans Affairs

- 
- Members who serve one year but less than two years will receive 60% of the MGIB 3 year rate.
  - Members who serve two or more continuous years will receive 80% of the MGIB 3 year rate.

The amount VA pays is based on the type of training program and training time (i.e. full time, half time, etc). If attendance is less than a month or less than full-time, payments are reduced proportionately.
