

# Away from home, you are home.

You're going to feel right at home here because you're not going to live in a cramped dorm room. Instead, you're going to live in an apartment. We offer three styles of apartments: town houses, garden apartments and suites. They're all fully furnished, have lots of storage space, come with microwaves and refrigerators, and are wired for cable TV (you'll have 95 channels to surf through) and internet.

## Living on Campus

We want you to feel comfortable and confident living on campus. Therefore, we employ Resident Advisors who are friendly, helpful students who plan fun events and programs in our residence halls and also will help you if you need it. Also, our Campus Police officers patrol campus 24 hours a day, seven days a week to keep you safe.

## Come see for yourself.

If you have not seen our apartments in person, we encourage you to do so. Call us at 1.800.872.1787 or 814.362.7555 to make an appointment.

If you have questions for the Housing Office, please feel free to call the Office of Residential Life and Housing at 814.362.7630. We look forward to seeing you.

## Town House Apartments

Our town houses are two-story apartments that each house five students. The living room, kitchenette and a single bedroom are on the first floor. Two double bedrooms and the bathroom are on the second floor.

Town Houses Apartments

Garden Apartments

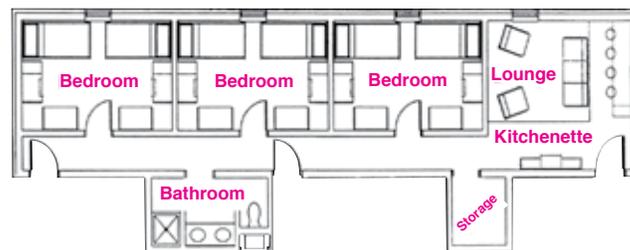

## Garden Apartments

Our garden apartments have spacious living rooms, kitchenettes and large dining tables and chairs. Each apartment is air conditioned and handicapped accessible. A central corridor leads to the bedrooms and bathrooms.

Most of the garden apartments have three double bedrooms and two bathrooms. Some of the apartments have four single bedrooms.

Find out more at [www.upb.pitt.edu/garden](http://www.upb.pitt.edu/garden).

## Suite-Style Apartments

Our newest housing option is our suite-style apartments, which provide five-person, four-person or two-person suites.

Each apartment has a living room and dinette area and is air conditioned. Each building also has a large walk-through lobby and vending area.
