Student Affairs Television Screens

Student Affairs Television Screens offer advertising to Pitt-Braford affiliates on digital screens in the Frame-Westerberg Commons and Residence Hall Areas.

The primary purpose for the Student Affairs TV Screen system is to promote events, programs, and services sponsored by the University of Pittsburgh at Bradford departments and certified student organizations that enable Pitt-Bradford students to fully engage in campus life.

Submission Guidelines

Criteria:

The Division of Student Affairs has sole responsibility and authority for approval and posting of all content on the digital signs in the Frame-Westerberg Commons and Residence halls. Content must directly support the mission, vision, and values of Student Affairs, as well as the purpose of promoting University of Pittsburgh events, programs, and services. Content depicting violence or weapons, sexually explicit material, illegal activities, alcohol, or profanity will not be permitted. All content must clearly name the sponsoring organization. Sponsoring organizations or departments may have a maximum of two (2) submitted items running on the screen at any given time.

Content:

Content must be designed in a professional manner. The submitter accepts responsibility for the accuracy of content, and that they have appropriate permission to use any copyrighted material (if applicable). We cannot display content containing copyrighted material. Student Affairs reserves the right to make editorial and format changes for all submissions. Content will not be displayed for more than 4 weeks.

Format:

Content should be submitted as an image file. Other file formats (animated gifs or videos) maybe accepted. Content can be in a portrait or a landscape orientation. File names should end with the date that you would like the file removed. For example, a file being removed September 15 might be named "Event Title_ Sept 15."

Submission:

To guarantee that content is displayed during your requested time, items should be uploaded to the submittal page at least one (1) week in advance of the requested posting date.
