“I was raised by a single mother who never completed high school. My goal is to be a successful businesswoman so my family can have a better life. I have five younger brothers watching me, so it’s important to show them it’s possible.”

“Our donors, without knowing us, give not only money but also encourage us to continue in our education. Upon being awarded my first scholarship, I called my parents and they were so overwhelmed with happiness they cried. Thank you, donors, for your generosity.”
